**UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE  
AMENDED MOTION TO APPROVE CLASS NOTICE**

Plaintiff Rachel Johnson respectfully requests a seven (7) day extension of time to file her Amended Motion to Approve Class Notice, up to and including October 12, 2016, and adjust the briefing schedule on the motion such that Yahoo's response is due by November 2, 2016, and Plaintiff's reply is due by November, 16, 2016. Yahoo does not oppose the requested relief.

Plaintiff files this motion because her counsel's primary contact at Kurtzman Carson Consultants (KCC), the proposed class administrator, has been in Italy this week, which has delayed communications. Plaintiff has been working with KCC to develop the best practicable notice plan, but needs a small extension of time to file her Amended Motion in light of this scheduling issue.

The parties have met and conferred regarding this request and Yahoo does not oppose the relief requested herein.

This motion is not made for purposes of delay and will not interfere with any pending dates, as the next status is set for December 1, 2016 and there is currently no trial date set.

WHEREFORE, Plaintiff respectfully requests that the Court extend time for Plaintiff to

file an Amended Motion to Approve Class Notice by seven (7) days up to and including October 12, 2016, and adjust the briefing schedule on the motion such that Yahoo's response is due by November 2, 2016, and Plaintiff's reply is due by November, 16, 2016.

Respectfully Submitted,
